

MINUTES OF MEETING OF PLANNING
AND ZONING COMMISSION HELD AT
10:30 A.M., SEPTEMBER 18, 1972

Pursuant to Notice given as provided by law, the Planning and Zoning Commission met with all members present in the Office of the County Commissioners at 10:30 A.M., on September 18, 1972, to hear the petition of landowners in Sections 10 and 11, T12N, R19W excluding Fort Missoula Timber Reserve area and the SW¼ of Section 10, and including Lot 1, Section 9, requesting the zoning of their lands to restrict commercial or industrial use and to protect the development of the area. No protests were received to the zoning proposed, but one request for exclusion, other than stated in the petition, was submitted by Mary Nakamura. The items set forth as permitted or not permitted uses were discussed. Item 11 wording was questioned and it was suggested the last sentence could be improved by this revision:

"All sanitary facilities shall be constructed in accordance with State Department of Health and/or Missoula County Health Department regulations".

Jim Nelsen of the Health Department will be consulted on this.

The word "covenants" in Item 5 appeared to be a misnomer and should be deleted or reworded.

The reference to R-4 in Item 21 should not be used, and instead the wording should show the 2,000 square foot requirements for a two bedroom dwelling, or 1,500 for a one-bedroom dwelling. This concerns the area described as Lot 1, Section 9, owned by Allen Fetscher, Laurence Eck and Bruce Bugbee.

~~It was brought out that double wides were restricted for the reason~~
that poor quality and appearing dwellings of this nature could eventually over-run the area and would not be in keeping with the surroundings. However, they stated they are not attempting to exclude travel trailers.

Elmer Frame will contact Mrs. Nakamura and explain to her that this zoning will benefit her in the long run by protecting her heirs and future owners against poor development practices.

Chairman Stoutenburg appointed a committee consisting of the Clerk, Elmer Frame and Commissioner Ostergren to go over the above suggested revisions and re-wording following Mr. Frames meeting with Mrs. Nakamura, and then bring back the results for consideration at another meeting.

Commissioner Ostenson then moved that the Commission adjourn at 11:15 and this was seconded by Commissioner Ostergren and carried unanimously, whereupon the Board reconvened as a Board of County Commissioners.

CONTINUATION MEETING HELD AT
10:30 A.M., November 17, 1972

The Planning and Zoning Commission met in the Office of the County Commissioners. Present were the three County Commissioners and member Fred R. Barclay, with member Elmer M. Frame absent. Also attending were John C. Moe, Darrel Hill, Norma and Richard Rossignol, Donald Tomlinson, and Richard Mallick. Chairman Stoutenburg opened the meeting.
